

REMARKS

On August 8, 2008 the Examiner proposed an Examiner's Amendment that would place the application in condition for allowance.

We now accept that and are making the indicated changes as above.

As the patentability of the claims thus amended has already been decided by the Examiner, it is not believed to be necessary to discuss the cited references again, other than to point out that SHILEY and STEVENS do not disclose the subject matter as now claimed.

In view of the present amendment and the foregoing Remarks, therefore, it is believed that this application has been placed in condition for allowance, and reconsideration and allowance are respectfully requested.

The Commissioner is hereby authorized in this, concurrent, and future replies, to charge payment or credit any

overpayment to Deposit Account No. 25-0120 for any additional fees required under 37 C.F.R. § 1.16 or under 37 C.F.R. § 1.17.

Respectfully submitted,

YOUNG & THOMPSON
